

Free half day SAP IBP taster session

Your concerns...

- Unsure about the value SAP IBP could bring to your business?
- Executive sponsors never seen a live SAP IBP demo?
- Unclear as to how SAP IBP fits in with other SAP products such as Advanced Planning and Optimization?

Olivehorse's SAP IBP taster session proposition

A half day spent on site with your team where we can:

- Explain the functions of the different IBP modules and their use cases
- Demo key aspects of IBP live on our own system (incl. SAP Jam)
- Discuss your current supply chain pain points and how IBP could provide solutions
- Agree the next steps in your IBP journey

Contact our IBP Practice Lead **Steve Rampton** to schedule your SAP IBP taster session today!
